教學內容	縱觀幼教數十年來之生態發展，因社會急遽變遷，雙薪及小家庭制度應運而生，托育服務需求大量增加。然政府有關部門卻以「學前教育非屬義務教育之一環」而漠視，致使私立托教機構又大量應運而生，且良莠不齊。幼稚園與托兒所行政工作千頭萬緒，尤以近年來政府幼教政策不斷改變，頗令園所經營及管理者有力不從心之感。 我校學生畢業離校之後，多數將投入幼教職場，無論從教學者、管理者與經營者之各個層面探討，均無法脫離幼稚園或托兒所之行政工作領域。然「教保行政」專業知能卻爲幼教工作者最弱之一環，本人期能透過本課程與學生之分享及互動，建立學生基本概念，並具備自助助人之「教保行政」專業知能，使能對幼教現場工作勝任愉快。	Syllabus	Looks over the ecology development of preschool education for several decades, two jobs and small family arise rapidly because of social vicissitude. The demand for child-care services increases massively. However, the government has ignored this fact by using the reason of "the preschool education is not a part of compulsory educations". This causes many private child-care organizations with varied quality to arise. The administrative works of kindergartens and nursery schools are complicated. The situation is worsening by frequently changed government policy that makes administrators confused and hard to follow. Most of students graduated from this school will eventually devote themselves in early childhood education. Regardless from the role of teaching, superintendent or investor, you will face the administrative works of kindergarten or nursery school. Nevertheless, ↗Administration in a Child Care Organization∫ is usually the weakest part of early childhood educators. In this course, I sincerely hope to establish the basic concept of ↗Administration in a Child Care

			Organization∫ through the interaction and knowledge sharing with students. Students can subsequently equip with professional knowledge of ↗Administration in a Child Care Organization∫ and be fully competent in early childhood education practice.
