教學內容	This series of seminar is divided into 3 themes; 1. Seeing 2. Pleasures 3. Communication study They complement each other aiming at empowering the students' awareness in communication in a total sense; from understanding the way we think, see and experience, to examining how visual concepts are formed and articulated in our complex and diversified living and working environments. The seminar will also aim to stimulate students to actively and knowledgeably take part into discussion in all kind of communication related subjects.
