教學內容	Please refer to the English version.	Syllabus	This the the advanced reading course in the Department of Applied Foreign Languages. Students are expected to read both in scales, and, moreover, when vocabulary and knowledge is established, to read into depths. Towards the end of the class, students will be able to achieve speed reading & develop the skills in understanding the nuances in English language. Authentic materials will be covered - students are expected to prepare & revise for each session whenever possible in order to pass the course.
