教學內容	<p>全課程以英文進行,教學大綱請參考英文教學大綱</p>	Syllabus	<p>This course presumes that students already possess elementary to medium level communicative competence in English vocabulary, grammar and conversational patterns. This presumption is based on the fact that all students have passed a competitive examination in order to join the department. Thus, this course will not function in the manner of an ordinary course in onversation. Rather, this course seeks to provide training in conversation patterns and oral fluency and to apply this knowledge in difficult social and cultural predicaments through the study of social and personal difference.</p>
