教學內容	<p>What is a "Big Idea"? Where does it come from? How do we develop it? Why did you come to university? What was your dream to learn? What do you want to do when you graduate? How you can be better at learning and thinking? Of course you want to be useful, but also to feel that what you are doing is meaningful. The Future needs young people who care about the 3 P's: "People, Planet & Prosperity". Designers are driven by a passion to improve the Quality of Life. This course focuses on the role of creative people and designers, and the meaning of what they can do for the world and for the future.</p> <p>During the course we will introduce and discuss such concepts as: People-centricity; the United Nations Triple Bottom Line Accounting for Social Responsibility (Equity), Environmental Impact (Ecology) and Economy); the difference between Profit & Prosperity; GNH (Gross National Happiness) and other Happiness Indexes; what is a Business Ethos?; the shift from Manufacturing to the Service and Experience Economies; Branding; the Dream Society; what is a Paradigm Shift?; etc.</p>	Syllabus	How to use your Creativity and Passion to give your studies direction and meaning; and how to be useful and successful in the Future. Know your Thinking Style; Integrating Leadership, Design, Creativity and Team-building; Creative Business of the Future; Innovation, Originality, Business Ethics and Creative Design
