教學內容	<p>Students can use basic English to make themselves understood and , to a limited extent, can understand the English around them. The course provides support and reinforcement in order to help students feel confident about their communicative abilities.</p> <p>The contents are as follows:</p> <p>1. vocabulary</p> <p>students first of all need words, the building blocks of language. Students engage in a matching or categorizing task which focuses on the meaning of the new vocabulary. "stretch vocabulary" activity allows students to add words they already know to the total vocabulary available to the class.</p> <p>2. conversation</p> <p>The conversation is designed to build students' confidence in their ability to speak and understand everyday English. Using the vocabulary students have just learned.</p> <p>3. Pronunciation</p> <p>The pronunciation focuses on features of spoken English, including stress, intonation, reductions, and linked sounds.</p>	Syllabus	<p>Students can use basic English to make themselves understood and , to a limited extent, can understand the English around them.
