| 教學內容 | The objective of this course is to perfect the students' English abilities through the training of test-taking skills and strategies to help improve standardized test scores required by most universities. Students will learn to enhance their English comprehension of difficult texts, understand native speakers of English adequately, and train their oral fluency and active use of vocabulary. They will be enabled to increase their self-confidence in using English. In addition, students will have the opportunity of reading authentic English texts which will broaden their knowledge of the Western world. | Syllabus | The objective of this course is to perfect the students' English abilities through the training of test-taking skills and strategies to help improve standardized test scores required by most universities.
