課程目標	在設計旅遊文學課程分享與報告的活動時，採用小組進行。使同學能夠從不斷溝通中，互相學習精進。旅遊報告也須自己去規劃，結合名作家的文章或當地歷史文獻，這部分特與同學們的自主學習能力緊密相關。	Objectives	The beauties of nature are woven into the journey of life. Traveling is a kind of subtle, soul-searching behavior. It is also a deep exploration into your inner self. Traveling can be a relief, an adventure, learning and growth. With a nostalgic impulse, you can find your spiritual home in the universe. Moreover, you can observe, meditate and feel the novelty and the variety of life. Idling in a corner of the earth, you are unlikely to broaden your horizon. The purpose of this course is thus to improve the abilities of capturing the beauties of nature, understanding different customs, and putting them into words.
